EXPERIENCE

Core Committee Member

Entrepreneurship Cell, VIT

December, 2020 – Present

Entrepreneurship Cell is a student body based in VIT, Vellore which aims at fostering entrepreneurial spirit amongst young aspirants by providing them with a platform and required resources for actuating their ideas into successful business ventures.

Core Committee Member

Student Technical Club

December, 2020 - Present

A Microsoft-backed community of passionate tech-enthusiasts that drives projects in various forthcoming domains that include Blockchain, Data Science, and many more with partners like Foxmula and MLH.
Currently working on making an online e-auction platform based on blockchain.

PROJECTS

CryptoBid

Created a Blockchain-Based Auction Website using Solidity and React which works with the help of metamask.
